

Financial Assistance Application

You may apply for financial assistance for you and your family if you do not have health insurance or are concerned that you may be unable to pay for all or part of your health care services. We will work with you to see if you qualify for other health insurance programs or our Financial Assistance Program. If you qualify for financial assistance, some or all of your balances may be reduced for medically necessary services. McCone County Health Center (MCHC) will determine if a service is medically necessary based on the Financial Assistance Policy, available at www.mcconehealth.org or by calling 406-485-3381.

Required information: Copies of the latest Federal Income Tax returns and other documentation to be used to identify an applicant's income; and the last three months of payroll wage stubs OR your current profit and loss statement for self-employed applicants.
